

ty are as follows

GOOD NEIGHBORS CONTROL NOXIOUS WEEDS

- The County Weed Director is always available to check potential noxious weed sites or to provide specific information on control.
- Clark County cost shares in control of noxious weeds, covering 25% of the cost of the chemical if purchased from the Noxious Weed Department. For information on what chemicals are covered for which noxious weeds, please contact the County Weed Director.
- Uncontrolled noxious weeds reduce the production of both farm ground and pasture land, while at the same time increasing the cost of production.
